

Brassies Board of Directors and Delegates Meeting

Monday November 16, 2020

1:00 PM

Twisted Oaks Golf Club

President Kathy Quelland explained the two agenda items. She had sent out options to be discussed for items.

The first item was about how we should celebrate our 40th Anniversary of the Dot Perry Tournament. It was decided that we do a grab and go breakfast of coffee, bagels, fruit, donuts, etc. with an acknowledgement before play so that those who do not stay for lunch could celebrate as well.

The second item on the agenda concerns the division of players into flights. It was decided to allow the tournament committee to assign flights each tournament based on assigning near equal number of players in each flight.

Respectfully submitted,

Pat Kordalski,
Secretary
