

Divots.....August 2020

A MESSAGE FROM THE PRESIDENT

Greetings to all Brassies Ladies!

I hope this finds all of you well, your families safe and sane and all of you able to get out to play some golf.

We are excited to celebrate the **40th Anniversary of the Brassies Organization**. That's quite a milestone to celebrate and one that will have some very unique situations! We plan to formally celebrate this occasion with the tournament in December. There have been many challenges to get past in making the schedule this year and attempting to get proper pricing. As we move from tournament to tournament, there may be changes that may need to be made to lunch plans and perhaps golf plans as this whole situation with the virus continues to evolve.

I'd like to thank our club delegates who have been working diligently to schedule events at their home clubs and a special thanks to **Janice Villa** who has worked so hard to pull a great schedule all together. It will be important to rely on the entry form on the website* from month to month as pricing for each tournament could be different from what is published in the Brassies handbook due to the ever evolving situation with Covid. Our desire is to provide the best golf and lunch experience possible for each tournament.

The minutes of our summer meeting are posted on the Brassies website as is the Treasurer's report. At this meeting, we decided to change the prize for closest to the pin for this upcoming season. The prize for closest to the pin for each division will be a \$5.00 cash prize instead of three golf balls. Also, there was no Player of the Year for this year because of the abbreviated schedule.

We look forward to having a "normal season" or as close to it as possible this coming year. We hope to have all rounds completed with 4 to 4 ½ hours so we ask that all Brassies play ready golf and keep up with the group in front of them. We will also award prizes as quickly as possible so winners can cash gift certificates in the pro shop quickly.

Continue to stay safe! I look forward to seeing all of you at our first event... and throughout the year!

Kathy Quelland, President
